California Truth Act History

- ❑ The California Truth Act was born from the 1993 Trust Act (AB 4)
 - ❑ The Trust Act limited the way local law enforcement applied immigration policy
 - ❑ Essentially required an arrest warrant for detention and no longer allowed detainers placed by ICE.

California Truth Act Requirements

- ❑ 7283.1. (a) In advance of any interview between ICE and an individual in local law enforcement custody regarding civil immigration violations, the local law enforcement entity shall provide the individual with a written consent form that explains the purpose of the interview, that the interview is voluntary, and that he or she may decline to be interviewed or may choose to be interviewed only with his or her attorney present.

California Truth Act Requirements

- 7283.1. (b) Upon receiving any ICE hold, notification, or transfer request, the local law enforcement agency shall provide a copy of the request to the individual and inform him or her whether the law enforcement agency intends to comply with the request. If a local law enforcement agency provides ICE with notification that an individual is being, or will be, released on a certain date, the local law enforcement agency shall promptly provide the same notification in writing to the individual and to his or her attorney or to one additional person who the individual shall be permitted to designate.

California Truth Act Requirements

- 7283.1. (c) All records relating to ICE access provided by local law enforcement agencies, including all communication with ICE about that access ICE, shall be public records for purposes of the California Public Records Act (Chapter 3.5 (commencing with Section 6250)), including the exemptions provided by that act and, as permitted under that act, personal identifying information may be redacted prior to public disclosure. Records relating to ICE access include, but are not limited to, data maintained by the local law enforcement agency regarding the number and demographic characteristics of individuals to whom the agency has provided ICE access, the date ICE access was provided, and whether the ICE access was provided through a hold, transfer, or notification request or through other means.

California Truth Act Requirements

- 7283.1. (d) Beginning January 1, 2018, the local governing body of any county, city, or city and county in which a local law enforcement agency has provided ICE access to an individual during the last year shall hold at least one community forum during the following year, that is open to the public, in an accessible location, and with at least 30 days' notice to provide information to the public about ICE's access to individuals and to receive and consider public comment. As part of this forum, the local law enforcement agency may provide the governing body with data it maintains regarding the number and demographic characteristics of individuals to whom the agency has provided ICE access, the date ICE access was provided, and whether the ICE access was provided through a hold, transfer, or notification request or through other means. Data may be provided in the form of statistics or, if statistics are not maintained, individual records, provided that personally identifiable information shall be redacted.
